Voice of Indian Communication Technology Enterprises

ANNUAL ACTIVITY REPORT

2022 - 2023

Voice of Indian Communication Technology Enterprises (VoICE) is working to support Government's Make in India through Domestic Design led stakeholders and has effectively used Consortium Based 5G end to end solution Model to lead Indian SMEs and Start-Up companies ready to compete with MNCs.

AIM of the Society

“Atma Nirbhar in Communication Technologies” Fostering the development of Indian Digital Communications Technology (DCT) ecosystem through consolidated efforts of homegrown enterprises with enhanced facilitation for Start-ups/ Small and Medium Enterprises (SMEs).

Objectives of the Society

- Foster R&D culture and encourage design ownership.
- Enable the development, commercialization, and deployment of Indian Digital Communications Technology (DCT) products.
- Facilitate creation, promotion, protection & monetization of Indian Intellectual Property (IP) / Standard Essential Patents (SEPs) with the support from Government, disclosing and licensing of of IPs/SEPs and on FRAND terms.
- Explore collaborative opportunities with the Government and its R&D institutions, laboratories for product development & commercialization including encouraging the co-creation and of joint development of IP.
- Pro-actively participate in various consultative processes (including PPP-MII) by concerned ministries/departments on policy decisions, regulations and also to assist all concerned authorities through provision of requisite industry information to enable formulation of suitable policies and regulations.
- Make policy interventions on various schemes/decisions/initiatives, as and when deemed necessary to take forward the spirit of Atmanirbhar Bharat.
- Flag the issues/grievances of membership to the concerned ministries/ departments/ forums.
- Share of information on Products/Solutions, R&D roadmaps amongst Members and with governments and

further Exploring collaborative opportunities to develop end to end integrated solutions.

- Promote Design led local manufacturing and encourage procurement of locally designed & manufactured components/ subsystems.
- Enable Market access for Indian products/solutions and identification of commercial market and strategic market (critical infrastructure) requirements Eg: Tactical communication systems, PPDR network etc.
- Give special emphasis to Cyber Security in telecom products through enhanced security by indigenous design control where IPRs and design ownership reside within India.
- Seek Industry and Government support to facilitate the development of Local Testing & Certification Ecosystem for hardening of indigenous products/solutions and also to meet the National/ International standards through financial and infrastructure support.
- Support Field trials/ pilots for technology demonstrations especially through Universal Services Obligations Funds (USOF) and the USOF pilot project schemes.
- Organize and participate in seminars, conferences, fairs related to the objects of the Society and to compile, collate, edit and publish technical reports and papers related to the objects of the Society.
- Enter any arrangement with Government (s), international bodies or authorities to forward and strengthen the objects of the Society.
- Provide a platform for participation of all domestic market players, experts, financial market intermediaries and other stakeholders for identifying issues, potential failure risks and areas for development in the local DCT ecosystem.
- Proactively participate in Standardization activities in collaboration with TSDSI/ TEC / BIS/ DoT etc. and to continuously improve the competitiveness of the Member Ecosystem to develop world class telecom infrastructure and deliver the benefits of affordable digital services to national and international markets to achieve the SDGs.
- Identify and support the needs of skill development in the DCT ecosystem.
- Collaborate with academia, Centre of Excellences, test beds, State gov departments & institutions and certification labs etc. for the Member Ecosystem
- Create a hub for exchange of ideas and co-creation of technologies and solutions with Indian expertise, and act as a virtual system integrator for orchestrating end to end solutions
- Facilitate the mechanisms that assure market access for the members in certain key technology areas and critical infrastructure domains with the purpose to incubate local design, content and self-reliance.
- Actively pursue the use of Indian Digital Communication Technology/ Products/ Solutions by Indian Communications Service Providers
- Continuously strive towards improving the standards and competitiveness of the Member Ecosystem and to attain the status of the world class infrastructure and deliver the benefits of affordable services to national and international markets.
- Identify the needs of skill development in the Member Ecosystem including taking steps to prepare catalogue of

types of skills, range, and depth of skills to facilitate choice to individuals.

- Determine and catalogue the existing IP, products, solutions, services, skills, competencies etc within member companies, establish standards compliance and qualifications by members as per national and international standards/ norms/ testing, endorse companies which have the requisite capabilities to ease and assist competent selection of companies and their products/ solutions/ services in government and non-government tenders and RFPs
- To facilitate in standardizing the affiliation and accreditation process for the Member Ecosystem, facilitate setting up a robust and stringent certification and accreditation process for the Member Ecosystem to ensure consistency and acceptability of standards.

Activities of Voice Prior to the formation :-

Domestic design led companies had met Secretary Telecom on 14th October 2021 in which 17 Domestic Design led players showcased their product offerings at 13th Floor Sanchar Bhavan 2021. It led to submission of a series of 14 White Papers by Director General, VOICE based on inputs from industry as tabulated below:

S. No.	Topic
1	Public Procurement (Preference to Make in India) Order 2017- Notification of Telecom Goods, Services or Works
1.1	Additional Inputs in support of products in Table 1 of S.No. 1 above: Multiple suppliers against each product
2	Market Access
3	USOF activities through Direct Award/ Direct Tender through a new class of USOF Project awardee with mandate to Licensed Service Provider at Circle Level for interconnection
4	USOF tender for the Aspirational Villages and related issues
5	Pilot Project for 4G Network for personal mobile broadband in rural areas as part of BharatNet through PPP mode
6	R&D in IoT and other emerging technology areas
7	TSDSI's 5G Radio Interface Technology
8	Technology Trials and Pilot projects to support domestic telecom equipment companies
9	License Free Low Powered Micro Cellular Systems
10	CBRS like Licensing System
11	Community Development, Testing & Certification Infra
12	Telecom Sector issues with Finance, Banking and Revenue Department
13	Role of GPS/ NavIC (IRNSS) Satellite Synchronization in the 5G Network
14.	Implementable ideas to create Atmanirbhar Bharat in Telecom Chips : Fabless Telecom Chip Industry

Other salient points about VoICE

- * First and only society for Indian Deep tech and communication technology company supporting India's Global leadership vision, AtmaNirbharta and MAKE IN INDIA
- * Single platform end to end telecommunication eco-system covering all aspects of the network.
- * Pilot Network for different use cases
- * Society has member companies with entrepreneurs, technology experts with vast industry experiences who share the spirit of prime minister's AtmaNirbhar Bharat vision.
- * Members ready to work with domain experts to create telecom network specific to use case for example Railways, armed forces, mining etc.
- * Consultation for decision making in all aspects of policy towards R&D, startups, nurturing new ideas, piloting products, and adopting new trends.
- * Collaborate with Railway Research, standardization Institutes, System Integrators in creating a vibrant product ecosystem of products for reliable and mission critical communication network.

ACTIVITIES AT A GLANCE 2022-23 Period

- * The VoICE team had a VC meeting with Secretary Telecom on 6th January 2022 and that led to DoT's recommendations to the finance minister on usage of USOF fund to support R&D which later led to announcement of TTDF in October 2022 during IMC.
- * Based on USOF submissions, led to 4 Projects from USOF worth Rs. 10 Crores each to start-ups like Lekha Wireless, Signaltron, Resonous and Astrome.
- * In line with commitment made to Secretary (T), VoICE team was able to showcase live 4G/ 5G Consortium based complete end to end solution from 16 to 18 May 2022 at 13 Floor Sanchar Bhavan and included some live requirements for modernisation of Indian Railways.
- * VoICE made a presentation and participated in an international exhibition of IRSTE at Ambedkar International Hall wherein some more Railways' applications were added.
- * VoICE team was present in MEITI's event at Gandhinagar also on 4-5-6 July 2022.
- * End of July 2022, VoICE supported participation of around 24 exhibitors during DoT's Investor meet a Mumbai.
- * On 8th August 2022, VoICE team showcased end to end 4G/ 5G solutions in Consortium mode during an ITU event at Hotel Lalit, New Delhi.
- * On 9th August 2022, VoICE team showcased end to end 4G/ 5G solutions in Consortium mode at 21 Signal Group, Anand Parvat, New Delhi. This led to many VoICE members directly interacting with 21 Signal Group for their requirements.

- * From 1st to 4th October 2022, VoICE consortium showcased at India Mobile Congress.
- * Communication Minister, Commerce Minister, Mining Minister and Shri PK Mishra, Principal Secretary to Prime Minister appreciated consolidated efforts put up by VoICE team with multiple players joining hands to present multiple end to end solutions covering Armed forces, Railways, disaster management, automobiles, mining, robotics, banking, finance, data centres etc in 5G Private Enterprise network solution.
- * It may be the first of its kind in the world and next 18 to 24 months' time at least 5 domestic players will be challenging globally Nokia, Ericsson. This was the statement made by Director General, VoICE to the Hon'ble Prime Minister in support his vision of India being a global hub and leader in Telecom technology.
- * Communication Minister had launched 25 new products from 19 companies at VoICE Consortium
- * Minister for Coal & Mines, Minister for Commerce & Trade, Army Chief and senior Army officials, Railway Board Chairman & senior Board members, very senior officials from Niti Ayog & other Ministries, Chairman of Reliance Jio & Airtel were amongst the visitors to see the Consortium based end to end results presented by VoICE team.
- * Success of the IMC2022 can be seen as Indian Railways awarded India's first 5G Pilot Project to VoICE Consortium on Mathura Palwal Section of Indian Railways. 21 Signal Group also came up with a request on a Pilot Project.
- * VoICE team participated in Bangalore Tech summit in Consortium mode with about 20 companies participating.
- * There was participation in DoT's event at Bhubaneswar.
- * VoICE team with 25+ companies were part of India Telecom 2023 at Hotel Taj, New Delhi where 100+ foreign participants.
- * Along with TCIL, setting up of Training Centre facilities in 12 countries on 5G end to end solution was also proposed under TTDF.
- * Proposal to revive US \$ 1 Billion Line of Credit for ASEAN countries is also submitted.
- * Director General, VoICE was Chairman of Task Force constituted by the Government on New Opportunities on telecom equipment.
- * Proposals on PLI, Public Procurement Make in India Policy, Standards & certification, MTCTE issues, custom & network security issues, policy violation interactions with multiple ministries and PSUs in line with VoICE activities are taken up as per requirements and submissions received from members.
- * More than 30 VoICE members are already part of complete 5G end to end solution capabilities and number is increasing each day.
- * Consortium of 23 VoICE companies making live 4G and 5G Private Enterprise network. The event IMC2022 was subsequently held at Pragati Maidan from 1st to 4th October 2022 and Hon'ble Prime Minister was with VoICE Consortium pavilion for about 8 minutes.

		IoT Awards - Deployment in Logistics and Asset Management organized by EFY at KPTO Trade Centre, Bengaluru
13	SIGNALCHIP INNOVATIONS PRIVATE LIMITED	4G Chipset of Signalchip used in the Launch of 4G Network service through Signaltron equipment at Kathriguppe and Hirekattigenahalli Gram Panchayats providing rural broadband 4G connectivity in BSNL. Project funded by USOF DOT.
		First live 5G call on Signalchip Chipset
14	SIGNALTRON SYSTEMS PRIVATE LIMITED	First live 5G call on Signaltron equipment and using Signalchip 5G Chipset
		Launch of 4G Network service at Kathriguppe and Hirekattigenahalli Gram Panchayats providing rural broadband connectivity in presence of Hon'ble Prime Minister at IMC Consortium Booth. Project funded by USOF DOT.
15	FINAARA	AVRM PRO (ATM type machine) & Monexsoft
16	BIGCAT WIRELESS PRIVATE LIMITED	Wireless Channel Recorder
17	INFINITY LABS LIMITED	InfBharat Encryption Launch

		Connecting 212 offices of DLRS on secure NG-SDWAN technology to access the DC and DR sites hosted at DLRS and NIC office
18	SCYTALE ALPHA PRIVATE LIMITED	Quantum Secure Messenger
		Quantum Secure Video Conferencing
19	ECHELON EDGE PRIVATE LIMITED	Private Enterprise Network NMS
20	AMANTYA TECHNOLOGIES PRIVATE LIMITED	Best SME in Telecom Ecosystem 2022 at India Mobile Congress
		Best Telecom Startup of the Year at ET Telecom Awards 2023
		Best 5G Solution Provider of the Year 2023 by Entrepreneur India
21	TEJAS NETWORKS LIMITED	Mobile Breakthrough Awards 2022
		IESA Technovation Awards 2022
		IMC Awards 2022
		Telecom Leadership Award
		ELCITA's "Most Valued Vendor Partner" Award
22	INNOMINDS SOFTWARE PRIVATE LIMITED	Kiteboards: System On Modules for compute & connectivity
		iDhi: 5G enabled, cloud orchestrated AI-on-the-Edge devices for vision-based intelligent automation and control (figure 1)
		iFusion: Cloud AI Platform for full life-cycle AI/ML management.
		Recognition: At the Bangalore Tech Summit, we demonstrated a Tele-operated Guided vehicle (TGV) based on iDhi platform, over an LTE Private NW developed by Sooktha. We (Sooktha-Innominds) were selected as the Best Exhibitor
23	ASTROME TECHNOLOGIES PRIVATE LIMITED	Contract from the Department of Telecommunications under the USOF project, aimed at connecting villages by deployment of E-band radios

OTHER ACHIEVEMENTS

Based on one of the White Papers on USOF shared with DoT, funding of Rs. 10 Crores each was made to Lekha Wireless, Signaltron, Resonous and Astrome in year 2022-23 for 4G deployment in BSNL Network in Karnataka.

In addition Consortium of Tejas Networks, TCS and CDOT has successfully completed the Proof of Concept and compliance of 75+ tests specified by BSNL and are on the course of deployment of 1,00,000 4G sites in the BSNL network

Sir/Madam,
Sub : Allotment of Tax Deduction Account Number (TAN)
as per the Income Tax Act, 1961.

Kindly refer to your application (Form 49B) dated Oct 07, 2022 for the allotment of Tax Deduction Account Number. In this connection, the following TAN has been issued to you/your organisation:

DELV25601C

Please quote the same in all TDS challans, TDS Certificates, TDS returns, Tax Collection at Source (TCS) returns as well as other documents pertaining to such transactions.

Quoting of TAN on all TDS returns and challans for payment of TDS is necessary to ensure credit of TDS paid by you and faster processing of TDS returns.

The above TAN should also be used as Tax Collections at Source Account Number under section 206CA.

Kindly note that it is mandatory to quote TAN while furnishing TDS returns, including e-TDS returns. e-TDS returns will not be accepted if TAN is not quoted.

This supersedes all the Tax Deduction / Collection Account Number, allotted to you earlier.

Independent Auditor's Report

To,
The Members
Voice Of Indian Communication
Technology Enterprises (VOICE)
Plot No 128 1st Floor BLK-C
Mansarowar Garden, Delhi 110015

Report on the Financial Statements

We have audited the accompanying financial statements of Voice Of Indian Communication Technology Enterprises ("the society"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Income and Expenditure and the Receipt and Payment Account for the period then ended.

Management's Responsibility for the Financial Statements

The Management of society is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance in accordance with the accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the society and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Society Act, the accounting and auditing standards issued by ICAI and matters which are required to be included in the audit report under the provisions of the above Act and the Rules made thereunder. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the society preparation of the financial statements that give true and fair view

in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) in the case of the Balance Sheet, of the state of affairs of the Society as at **March 31, 2023**;*
- b) in the case of the Income and Expenditure Accounts, of the Excess of Income Over Expenditure for the year ended on that date; and*
- c) in the case of the Receipt and Payment Accounts, of the Receipt and payment for the year ended on that date.*

we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.*
- b) In our opinion proper books of account as required by law have been kept by the Society so far as it appears from our examination of those books.*
- c) The Balance Sheet, the Statement of Income and Expenditure Account and Receipt and Payment Account dealt with by this Report are in agreement with the books of account.*
